

# North Magnetic Pole Movement Based on Magnetic Field Models 1590 – 2010

Produced by NOAA's National Geophysical Data Center, December 2005  
Pole Location Data Produced by UFM and IGRF-10 Magnetic Field Models

1590–1940  
Uniform Flow Model (UFM)  
Jeremy Bloxham and Andrew Jackson  
Uses modified code by J. Bloxham, 11 Oct. 1983

1950–2010  
International Geomagnetic Reference Field Model (IGRF-10)  
International Association of Geomagnetism and Aeronomy (IAGA)  
Susan Macmillan and Stefan Maus  
Working Group V-MOD  
December 2004
